

Visions Federal Credit Union

Drive for Education

Visions Federal Credit Union **REALLY** loves educators!
So much, that we're going to commit up to \$50,000 to school
improvements and projects in Morris County in 2018!

How's it work?

Throughout May and June, each NEW member coming in to a Visions branch with a Drive for Education coupon will receive a \$25 bonus for opening an account, and Visions will donate \$25 to the designated school project - up to a total of \$5,000 per project! It's that easy! 10 school districts will be selected to participate.

How can a school apply to participate?

Any school within the MCCEA is welcome to apply! It is asked that each district only put forth one submission, and we'll choose 10 random winners! Please complete the attached application and submit by Tuesday, April 10, 2018, for consideration. Winning schools will be announced Monday, April 16, 2018.

Who can open an account at Visions?

Any school employee; student; or immediate family member* of a school employee or student in Morris County qualifies for the program! Coupons can be found in participating schools and printed online at MCCEA.com.

I'm already a Visions member, how can I participate?

We appreciate your membership! Get the word out about this program and your school will still benefit.

Questions?

Please reach out to **Lisa Norton** at Visions FCU - lnorton@visionsfcu.org or 800.242.2120 ext. 10814.

*Immediate Family is defined as spouse, children, siblings, parents, grandparents or grandchildren and adoptive or "step" relations.
